

## ***WA Commingled Improvements Project: Southwest Region Workgroup***

### ***Next Steps: Part 2***

---

February 24, 2010 9:00 am – 12:30 pm

Ecology HQ, Lacey: Room R0A – 09 (basement)

### **Meeting Objectives**

1. Review and discuss the issues for glass and its impact on each part of the commingled recycling system
2. Determine any data gaps for glass and agree on data summary for glass
3. Visualize the ideal residential commingled collection program outside of the current restraints (existing programs are in place, etc) from each stakeholders perspective
4. Combine the results of the exercise to identify areas of common ground
5. Identify key issues/problems of the current system based on our findings to date
6. Identify meeting objectives and approach for the *Focus on Solutions* meeting in March
